Weekly theme: Can these bones live?

Question: What do you worry about?

Prayer: Jesus of Nazareth, I imagine that you worried. I imagine you worried about your friend Lazarus and whether or not he would be okay. I imagine you worried about returning to Jerusalem and what would happen when you did (John 11). Maybe worry is a symptom of love, but it is not a symptom that you let control you. So give me the courage to recognize my worries and to continue moving forward, just as you did. With hope I pray, amen.
