Daily Devotional

Weekly theme: Can these bones live?

Question: What relationships matter most to you in this season?

Prayer: Triune God, from the very beginning you wired us for friendship, for community, for belonging. And yet, relationships are so hard! Vulnerability and trust can take so long! Give me an open heart to pour into the people in my life that mean the most to me. Do not let me withhold my care, but instead, may the love I feel for those who matter the most to me draw me closer and closer to you. Amen.
