Weekly theme: Holy Week

Question: What are you afraid of?

Prayer: Jesus, you know that the world can be a scary place. Our human capacity for cruelty shows up in full force this week. So as we wade through the heaviness of your final days, help me learn from the heaviness in my own life. What am I afraid of? How can I invite you into that fear? Is that fear trying to teach me anything? I need you. Every day, I need you. Amen.
