We have a new Parade route for 2024! Please note the Parade route will NOT be going through the historic Dupont neighborhood. However, we're excited that our annual Block Party will remain on 17th street, with our Family Area at Stead Park.

KICK-OFF is promptly at 3:00pm starting at 14th and T Streets, NW. The parade is expected to last approximately four hours. Music will begin at the announcement stand at 2:30pm. Please stay out of the street and clear of parade contingents as they proceed along the route. Jumping on and off floats and throwing items is expressly prohibited.

Accessibly Zone: There will be two dedicated accessibility zones.

1). Beginning of the parade route 14th St NW & T ST NW in front of the announcement stand (in front of Room & Board) A reservation will be required to guarantee your space for individuals with accessible seating needs and/or in need of ASL interpreters

2). Freedom Plaza 1455 Pennsylvania Avenue NW (in front of the Grandstand Bleacher Seating); A reservation will be required to guarantee your space for individuals with accessible seating needs
