

Grateful for the Gifts

by Clara Carter

We have salvation through God's son, Jesus, who was sent here that we may have eternal life, the greatest gift given to all people, regardless of our race, nationality and cultural background.

There are so many gifts we have been blessed with—love, kindness, understanding, wisdom, mercy, grace, and forgiveness beyond measure. We have the gift of free will and the gift of making choices.

Animals may have a certain degree of intelligence, and can be trained to learn a few things, but I do not know of any creatures except humans who were given these gifts by the Creator. I am grateful to God, the Son, and the Holy Spirit for the gift of eternal life.
