Angel Voices

Bless the Beloved, all you people, those who abandon themselves into Love's hands!
Bless the Beloved, bless all of Creation! Bless the Beloved, O my soul!
Psalm 103: 20-22 (translation, Nan C. Merrill)

Cherubs heard on high
Were my children's Christmas carol
 My angel
You sat next to me
 My angel
You held my hand
 My angel
You sat next to me you shared the pew
 My angel
You saw me
 My angel
You listened and would not turn away

You are my angel
Open my heart
Your presence is all I will ever need
You enter the sanctuary
Sweetly singing
I lift my hands to give you praise
I bless your holy name
