

God in the Dark

As we consider darkness, it may be helpful to remember how divine power works at night.

God.....

- led Abraham outside to show him the stars, promising the reward of uncountable descendants
- came to Jacob, sharing the vision of a new life
- God's angel wrestles with Jacob at night, blessing him
- Joseph dreams powerfully at night, capturing Pharaoh's attention and support
- God leads the Hebrews out of Egypt at night
- Manna falls from the sky at night
- God meets and speaks to Moses in a dense, dark cloud
- God speaks to the people from that cloud

Jesus...

- is born at night and the shepherds and Magi travel at night to adore him
- teaches at night
- prays at night
- breaks bread with the disciples at night

- spends two nights in the tomb
- is resurrected in that dark space

What about you.....

What has God, working through the Spirit, done for you at night?

Are you open to more tonight?
