

“God, what is it You want to do through me?”

---

## Happiness

If I make of my life an offering and a dedication to God, then this dedication will include all of my entanglements and involvements.

There follows, then, a radical change over my entire landscape and miraculously I am free at my center.

It is for this reason that is well, again and again, to re-establish my dedication, to make repeatedly an offering of my life.

I must keep my dedication up to date with my experiencing.
