### Applying Our Faith

What is in your Christian tool kit? Hebrews 11:1 states: "Now faith is the assurance of things hoped for, the conviction of things not seen." The upcoming 2021 bible study continues to explore how to apply our faith to our daily personal journey with Christ. The focus of this study will revolve around four themes: Spiritual tools, Personal Growth, Developing your Walk with God and Spiritual defensive tool. Each theme during the is intended to provide spiritual tools to guide your personal journey with Christ by promoting a better understanding of how to apply the 66 wonderful books we call the Bible to our daily lives.

**Bible Verses:** Galatians 5:16, "So I say, let the Holy Spirit guide your lives." I ask the simple question once again: "What in your Christian tool kit?"
